

VICOUNT INDUSTRIES has been a leading supplier of stamping dies since 1968. For over 30 years Vicount has remained dedicated to integrating the latest equipment and technologies. Through vital partnerships with our customers, we have experienced much success. Vicount is committed to continuously strive for success today and tomorrow. Our focus continues to sharpen as we have added innovative tools and technologies that will allow us to compete in the new global economy, while maintaining stellar project management, resulting in unparalleled customer satisfaction. Much has changed at Vicount, yet much has remained the same as well, which is why we are proud to call ourselves industry leaders since

1968.
